

CERTIFICATE

The certification body certifies that

HILDI GmbH

Untere Breite 8
72144 Dußlingen
Germany

has implemented and maintains a quality management system in the sector of:

Technical wholesaling of gaskets and seals, plastic-, filter- and adhesive technology.

A certification audit has verified that this quality management system fulfils the requirements of the international standard

ISO 9001:2015

first certification on: January 16th, 2017
extended on: January 14th, 2026
valid to: January 15th, 2029

The validity of this SystemCERT certificate requires annual surveillance audits and a re-certification audit every three years.

Leoben, January 14th, 2026
